

Sourdough Bread Dip Appetizer

Preheat oven to 300 degrees

INGREDIENTS:

1 – 9 Ounce Package of Cream Cheese

1 Cup Sour Cream

1 – 4 Ounce Package of Chipped Beef or Smoked Ham Chopped Small

¼ Cup Finely Chopped Green Onions

Dash of Worcestershire Sauce

2 Tbs. Finely Chopped Green Pepper

1 – 8” Loaf of Sourdough Bread

DIRECTIONS:

Slice off the top of the bread horizontally. Gently scoop out the inside of the loaf without making weak places in the sides or bottom of the loaf.

Mix all the ingredients together and fill the loaf with it. Replace the top of the loaf, wrap in foil and bake at 300 degrees for 1 ½ hours.

Cut up the inside of the bread you scooped out into about 1” cubes to dip into the creamy bread filling once it is finished baking. Serve warm or make ahead and refrigerate to serve cold.
